VIDEO WINDOW

rear projection from inside

The diagram shows a horizontal rectangular window. It is divided into two horizontal sections. The top section is white with a black border. The bottom section is also white with a black border. The text 'rear projection from inside' is written in red in the bottom section. Below the window is a yellow horizontal bar.

Screen dimensions: 121 x 127cm

A dark grey square representing the screen is positioned below the yellow bar.
